MEETINGS DURING THE REPORTING PERIOD

3. (SBU) On February 1, the EXBS Advisor and the Secure Freight Initiative (SFI) Program Manager for Oman met with Lt. Colonel Nasser al-Ruzaigi, Directorate General of Information Technology for Royal Oman Police (ROP), and Lt. Abdullah al-Ragmi, Directorate General of Civil Defence, ROP to discuss Non-Intrusive Inspection (NII) portal conversion upgrades for the SFI at the port of Salalah. The upgrades consist of: drive-through capability, shielding and a 24/7 control station. The benefits of the upgrades are: faster scanning of cargo, the mitigation of health and safety concerns, a reduction in the number of personnel required, and 24/7 capability. Al-Ruzaigi was pleased with the proposal.

4. (SBU) During a February 7 meeting, the Ambassador hand-delivered a document entitled "Legal Authorities for an Effective Export Control System", including a one-page summary prepared by the EXBS Advisor, to Sayyid Badr bin Humoud al-Busaiddi, Secretary General of the Ministry of Foreign Affairs (MFA). The Ambassador encouraged the government of Oman to implement an export control system and offered continued U.S. assistance toward this goal. Al-Busaiddi was receptive to the Ambassador's presentation and said he would look into the matter.

5. (SBU) On February 17, the EXBS Advisor and EXBS Program Assistant met with Lt. Colonel Naji al-Abri to discuss the International Border Interdiction Training in McAllen, Texas tentatively scheduled for March 23-27 (refTel) and the UNSCR 1540 Workshop scheduled to take place in Doha, Qatar March 8-11. They also presented al-Abri with a video in Arabic on ocean container seals.
